

The new **GR8-8** *great 8*

# Aluminium 38T Side Tipper

## Alutip – leading the way

*Climbing the ranks since 2006, Alutip is South Africa's leading manufacturer of lightweight heavy-duty aluminium tippers for both trucks and trailers.*

*It's our client's continuous use of these products that proves we are on the right track.*

*Now, we are taking the world of aluminium tippers even further with the GR8-8 tipper: the first complete aluminium side tipper in the country.*

- **Transport 8% more legal load (38 tonnes);**
- **Save 8% on fuel;**
- **Save 8% on toll fees;**
- **Save 8% on truck purchases;**
- **Save 40% on licensing fees; and**
- **Be GREENER! Aluminium is 100% recyclable...**
